

PROFESSIONAL SERVICE CONTRACT

(Description of main content)

THIS is professional advisory and assistance service [Cost Plus Fixed Fee \(CPFF\) Contract](#)—an agreement we provide to businesses which require specialized consulting on *development and maintenance of an investment policy, capital formation* or other legal or technical advice.

Usually we enter into such agreements after at least the following two preliminary stages have been successfully concluded.

1. When it is achieved at least mutuality of understanding about its subject of the investment. It habitually happens on an **initial face-to-face in-depth consultation meeting** investor's decision maker with our regional representative. He acts as our [Agent in Trust](#) with full rights to explain all details of our Web presentation of the service type and expected results from it, and to sign any lawful and reasonable agreements; *and*
2. Made **preliminary risk assessment** of your [capital investment](#) project under a short form agreement—**Letter Contract**. We plot developers' investment strategy, providing credit information. It's generally regulated by the Fair Credit Reporting Act ([FCRA](#) for short).

The billing price of the contract is commensurate with the workload on time-rate bases, as registered in the federal tax office, and will be further declared in our annual tax return. No bonuses or equity shares receiving as remuneration are allowed. Our *Business Consulting and Service Fee* includes, amongst the *negotiable consulting on a per project basis, [feasibility study](#), expert quantity risk assessment, business plan development, profitability evaluations and sensitivity analyses of posterior events*. The agreed total price will be included in the business plan and paid from the credit.

The endpoint is receiving of [Letter of Commitment](#) from the Agency to grand the loan.
